Do this by creating a gross sales web page for the brand new e book, but do not embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Be certain your sales copy is strictly the same on each

web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum price is.
