If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a sales page for the new ebook, however don't embody a value on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Make sure your sales copy is precisely the same on each page, and

includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, should you've written a guide that solves a problem or presents a brand new approach, your e book will usher in both traffic and profits.
