As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Make sure your sales copy is strictly the identical on

every page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.
