different prices on every page. Be certain your gross sales copy is precisely the similar on every web page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum worth is.

Ultimately, for those who've written a e book that solves a downside or presents a new approach, your ebook will usher in both visitors and profits. So you'll want to write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 1124 book might be to the purchasers who buy it.
