Do that by creating a sales page for the brand new guide, however don't embody a worth on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Ensure that your gross sales copy is precisely the similar on every web page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum worth is.

In the end, should you've written a book that solves a drawback or presents a brand new method, your e-book will herald both traffic and profits.
