and promotional material, and each time anybody asks you about your ebook.

An efficient method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the new e book, but do not embody a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with different costs on each page. Be sure that your sales copy is exactly the identical on every web page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum price is.
