Advertising Methods

The important thing that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your promoting handle. One is to provide one thing away without spending a dime with your e-book, equivalent to a worthwhile bonus item. Or bundle a number of ebooks under one worth, which lowers the value for every book if they have been bought separately.

An effective technique for figuring out a price is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the brand new ebook, but don't embody a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be certain that your sales copy is strictly the same on each web

page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a e-book that solves a downside or presents a new approach, your e-book will bring in both traffic and profits.
