An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the new book, but do not embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with

different prices on every page. Make certain your sales copy is strictly the similar on each web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum price is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new method, your e book will bring in each visitors and profits. So be sure you write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 1487 e book can be to the shoppers who buy it.
