One other strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Make certain your sales copy is precisely the identical on each page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum value is.

your book will herald both site visitors and profits. So be sure to write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 1527 e-book will be to the purchasers who buy it. And then watch your market come to you!
