If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new guide, however do not embrace a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with completely different costs on each page. Make certain your sales copy is precisely the similar on

each web page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum worth is.

In the end, in case you've written a book that solves a problem or presents a brand new technique, your ebook will bring in both site visitors and profits.
