promotional material, and each time anyone asks you about your ebook.

As an alternative, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Ensure your gross sales copy is exactly the identical on every web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

Finally, if you've written a guide that solves a problem or presents a brand new method, your guide will usher in each visitors and profits.
