page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is precisely the same on each web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Finally, in case you've written a book that solves a drawback or presents a brand new technique, your guide will herald both site visitors and profits. So make sure you write that promoting-deal with sentence that sums up what downside your ebook solves and what the advantages of your 1705 e book will be to the purchasers who buy it.
