Do that by creating a gross sales page for the new e book, but don't include a worth on that page. One other strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on each page. Be certain your sales copy is precisely the similar on

every web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

In the end, should you've written a ebook that solves a problem or presents a brand new technique, your e-book will bring in each site visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your guide solves and what the benefits of your 1723 guide shall be to the customers who buy it.
