Advertising Methods

The key that unlocks the sales potential of your ebook is to discover a single sentence that turns into your promoting handle. Then make sure to use that sentence in each piece of gross sales and promotional materials, and each time anyone asks you about your ebook.

In addition to selling your books assiduously online, there are a number of different methods that can enable you to promote more books.

One is to give one thing away without spending a dime along with your book, corresponding to a worthwhile bonus item. Or bundle several ebooks underneath one worth, which lowers the value for every ebook in the event that they have been offered separately.

An effective method for determining a price is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion when it comes to

price. Do that by making a sales web page for the brand new e-book, but don't embody a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Be sure your gross sales copy is strictly the same on each web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum price is.

Finally, in case you've written a e-book that solves a drawback or presents a brand new technique, your book will bring in both visitors and profits. So make sure you write that promoting-handle sentence that sums up what drawback your ebook solves and what the benefits of your 189 e book can be to the shoppers who buy it. And then watch your market come to you!
