price. Do that by making a gross sales page for the new guide, however don't embody a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Be sure your gross sales copy is precisely the same on every web page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, when you've written a ebook that solves a downside or presents a new technique, your guide will herald each traffic and profits.
