If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you'll be in a position to achieve excessive sales at a excessive price. If your e book solves an issue or solutions questions in a new and unique means, it is best to price your ebook as high as you'll be able to go. If you want to see large earnings over customer draw, purpose for an viewers that is in search of straightforward solutions to their problems at a low price. If your e book is aimed toward fixing one particular drawback relatively than general recommendation, then you may cost more. Begin at the highest price the market will bear to herald the largest profits, and plan to discount the ebook a number of occasions all through the year.
