Do this by making a gross sales web page for the brand new ebook, however do not include a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure that your gross sales copy is precisely the same on every web page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.

In the end, in the event you've written a book that solves a problem or presents a brand new approach, your ebook will bring in both traffic and profits.
