Do that by making a sales page for the new ebook, but do not include a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is precisely the same on each page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum worth is.

In the end, in the event you've written a guide that solves a downside or presents a brand new approach, your ebook will bring in both site visitors and profits.
