Do that by creating a sales web page for the brand new guide, however don't embrace a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different prices on each page. Be certain your sales copy is exactly the same on every web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a ebook that solves a drawback or presents a brand new method, your ebook will usher in both visitors and profits.
