price. Do that by creating a gross sales web page for the brand new ebook, but don't embrace a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Be certain your sales copy is exactly the identical on every page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Ultimately, in the event you've written a guide that solves a downside or presents a brand new method, your e book will usher in both traffic and profits.
