If these prospects have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new e-book, however don't include a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is strictly the same on

each web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, when you've written a book that solves a problem or presents a brand new technique, your e-book will bring in both site visitors and profits. So be sure you write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 48 guide shall be to the purchasers who purchase it.
