An efficient approach for determining a value is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion when it comes

to price. Do this by making a sales page for the brand new guide, however do not embody a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is precisely the identical on each page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum price is.

In the end, in case you've written a ebook that solves a downside or presents a new technique, your ebook will herald each site visitors and profits.
