An efficient technique for determining a worth is to send out a survey to your present customers. If these customers have already purchased an e book from you, ask for their opinion in terms of price. One other technique is to test out prices by creating a number of duplicate sales pages with different prices on every page. Make certain your gross sales copy is precisely the same on every

web page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.
