Do that by making a gross sales web page for the brand new guide, but don't embody a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with totally different prices on every page. Be certain that your gross sales copy is strictly the identical on each page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum value is.

Finally, if you happen to've written a guide that solves a downside or presents a brand new method, your e-book will herald both traffic and profits.
