If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new ebook, however don't embrace a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Ensure your sales copy is precisely the identical on each

web page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.

In the end, for those who've written a e-book that solves a problem or presents a brand new technique, your book will herald both visitors and profits.
